| **Limited food supplies provided to IDPs.** Food distributions had diminished unlike in previous months during the emergence of COVID-19 where several organizations distributed food packs to the people including the IDPs. | • There is resumption of releases of Transitory Family Support Package (TFSP) to IDPs  
• Provision of starter kits by DTI continues  
• cash assistance???

**Lack of livelihood.** | • Water rations continues  
• Some organization have WASH intervention (Water system rehab for IDPs in Pangi Bakwit Village by ACTED and on-going implementation of water system level 1 in Boganga by KI)  
• Some organization provided hygiene and/or dignity kits

**Problems on WASH.** There is insufficient supplies of water. Poor hygiene and sanitation is also a concern because of lack of proper waste management (full septic tanks, clogged drainage canal, no waste management) |  |
